**DEPARTMENT OF SOCIAL WELFARE AND
DEVELOPMENT**

FIELD OFFICE – NATIONAL CAPITAL REGION

**CITIZEN'S CHARTER
2024 2nd EDITION**

I. Mandate:

The Department of Social Welfare and Development (DSWD) is the primary government agency mandated to develop, implement and coordinate social protection and poverty-reduction solutions for and with the poor, vulnerable and disadvantaged.

II. Vision:

An empowered society where the poor, vulnerable, and disadvantaged sectors have immediate and equitable access to opportunities for an improved quality of life.

III. Mission:

As the authority in the Social Welfare and Development sector, the DSWD develops, implements, enables, and coordinates SWD policies and programs for and with the poor, vulnerable, and disadvantaged.

IV. Service Pledge:

We are committed to provide quality, prompt, and courteous service from Mondays to Fridays, 8:00 A.M. to 5:00 P.M., without noon breaks and thereby ensure that all applicants or requesting parties who are within the DSWD premises prior to the end of the official working hours and during lunch break shall be attended to. In view of this, we shall ensure availability of Officers-in-Charge of our frontline services at all times for consultation and advice.

Furthermore, we shall endeavor to complete transactions within the day and in the event that we are unable to do so, we shall inform you promptly of our actions taken so far and clearly explain the reason/s for such delay.

We shall appreciate any positive or negative feedback regarding our services, facilities, and personnel.

All these we pledge for the best interest of the clients/customers we serve.

Quality Policy

DEPARTMENT OF SOCIAL WELFARE AND DEVELOPMENT

Deliver, coordinate, and monitor social protection programs and services to the poor, vulnerable, and disadvantaged population towards a fair, just and peaceful society;

Sustain a culture of excellence through continual improvement of systems, mechanisms, and procedures in the delivery of programs and services;

Work with integrity and adhere to ethical standards for customer satisfaction and quality service by complying with the DSWD mandates, and other pertinent laws; and

Demonstrate genuine concern for the poor, prompt compassionate service, and free from any form of corruption.

DISASTER RESPONSE MANAGEMENT DIVISION

FRONTLINE SERVICES

1. Processing of Relief Augmentation Request

This process intends to provide a system on receiving, recording, approving and determining the requirements for request for resource augmentation to the Local Government Units (LGUs) in response to the needs of the families affected by disasters, calamities, and pandemic. Likewise, it aims to ensure that management and mobilization of food and non-food items (FNIs) are done in an effective, efficient, timely and coordinated manner.

This procedure applies to the processes to be undertaken in providing relief augmentation to the LGUs during disaster operations and other calamities and the pandemic. It covers the receipt of the Field Office/s request until the delivery or release of welfare goods. However, special requests from Legislators are not covered by this SOP. Assistance through congressional requests is considered direct assistance from the DSWD to the disaster victims subject to usual accounting and auditing rules. Further, requests for FNIs that are not disaster related are not covered in this process.

12. Implementation of Government Internship Program (GIP)

The Government Internship Program is part of the Kabataan 2000 program of the government. It was developed with the end goal of providing an opportunity for both out-of-school and in-school youths to a hands-on experience of working in various government agencies, which they could later use when they later decide to be part of the government workforce. This is likewise an opportunity for them to learn life skills in the workplace at the same time earn money to augment their school needs.

15. Grievance Intake and Response, 4Ps (Walk-in)

The Grievance Intake and response is the initial phase of the whole GRS process, which starts from accepting a grievance filed by a client, recording it in the information system, and providing the client an initial response. This service only covers walk-in transactions.

As a general rule, anyone may accept a grievance, request, and inquiry but only the City/Municipal Link and grievance officers may ascertain its validity and thereafter **intake** the grievance. To ‘accept’ a grievance is to receive the transaction but to ‘intake’ is to record the transaction after ascertaining its validity. Intake and response require technical know-how about the GRS, particularly on the procedures in resolving the specific types and subtypes of grievances.

20. Approval for the Conduct of Research Studies in DSWD Offices, Centers, and Institutions

Approval is issued to external requesting parties who intend to conduct research studies related to or involving the Department. The processing of requests to conduct research studies in DSWD Offices, Centers, and Institutions particularly applies to requesting parties who wish to acquire primary data through first-hand investigation, e.g., face-to-face interviews, survey questionnaires, focus group discussions, and case studies, among others, with the DSWD, including its clients/beneficiaries and on-going programs, projects, and services, wherein their main subject of research study involves the DSWD as an organization. Requests to conduct such activities need to undergo research protocol. Research in which target respondents **involve more than one (1) region** shall seek the approval of the Director of the Policy Development and Planning Bureau (PDPB). Research requests must be submitted to the PDPB Director at least one (1) month before the projected start of data gathering. Research whose target respondents **covering one (1) region** shall seek the approval of the Regional Director. Research requests must be submitted to the Regional Director at least twelve (12) working days before the projected start of data gathering activity.

On the other hand, research requests for the following need not go through the protocol and may be approved and provided by submitting a letter of request addressed to the head of the concerned office, bureau, service or unit:

- Observations and/or photo/video/audio shoots at DSWD premises, except those involving DSWD's clients or beneficiaries. If a photo, audio or video of a client or beneficiary is essential for the study, the requesting party shall secure the consent of the Center Head/Client/Beneficiary.
- Briefing/interview/orientation sessions with key focal persons in the Central Office on general information about DSWD programs, policies and projects. The DSWD, however, discourages requests for "practice interviews" of DSWD personnel for the sole purpose of student's acquisition of interview skills, in consideration of the valuable time taken away from the personnel when accommodating student requesting parties.
- Conduct surveys with DSWD employees about subject matters that do not directly concern the Department or not related to the DSWD's program operations.

Studies conducted by consultants/ requesting parties under the Technical Assistance Facility (TAF) grant portfolio. The requesting party, however, shall adhere to the policies on undertaking research and evaluation studies as stipulated in the Guidelines for the Conduct of Research and Evaluation in the DSWD.

33. Request for Borrowing Regional Learning Resource Center (RLRC) Materials and Collections

Based on the Memorandum Circular No. 1 Series of 2015, The DSWD-NCR Learning Resource Center (LRC) is established to provide access to knowledge and information through reading and writing, providing the staff, visitors, or other users the right to use the LRC materials and services by providing them a secure and comfortable environment. There is a need to establish LRC in the Field Office in accordance to the thrust of the Department that all DSWD Offices should maintain a LRC wherein all knowledge products are installed and is accessible to the public.

Moreover, the location of the DSWD-NCR is accessible to nearby universities hence, it is necessary to establish a learning center which is open to all students specifically to Social Work students.

The barriers to knowledge sharing such as lack of time to share, poor verbal and written communication, difference in education level etc. have to be addressed so that the people will trust and be empowered to continue to learn, share knowledge and produce faster, smarter and better services to the clients. On the other hand, the employees must also be encouraged to share knowledge and create knowledge products so they can respond to the ever-changing needs of partners and constituents.

Furthermore, the establishment of LRC is a result of DSWD pioneering efforts to institutionalize a knowledge management system and use of Knowledge Exchange Center/Regional Learning Resource Center Function Room for meetings, learning sessions, and exams for applicants which aims to strengthen and promote the exchange of knowledge with stakeholders, partners and within DSWD towards increased productivity and efficiency.

41. Onsite Implementation or Assessment of Individuals in Crisis Situation Program for Individual Clients transacting within the DSWS Offices (CIU/CIS/SWAD Offices)

AICS serves as a social safety net or stop-gap measure to support the recovery of individuals and families identified to be suffering from any adversity or crisis through the provision of financial assistance, psychosocial intervention, and referral services that will enable the clients to meet their basic needs in the form of food, transportation, medical, educational, material, funeral, and cash assistance for other support services, among others.

The provision of psychosocial support, including psychological first aid, and counseling, as well as financial assistance to disadvantaged and marginalized sectors, are part of the social protection services of the Department. These protective services aim to help individuals and families to cope with the present difficult situation they are experiencing, such as illness, death, loss of job, or source of income. In order to effectively and efficiently respond to existing and emerging crisis situations among vulnerable sectors, a Citizens Charter was crafted to provide a comprehensive guide on the provision of the aforementioned assistance.

	5.1.1 The SPPMO Staff shall ensure confidentiality and proper consolidation of the CSMF for subsequent submission to the ARTU as MOVs.			
TOTAL		NONE	13 hours, 40 minutes	
*Processing time depends on the number of beneficiaries per Barangay, per LGU, and the output capability of SDOs.				

NOTE: This Citizens' Charter (CC) is limited to the DSWD processes involving the client - the indigent senior citizen applicant and the SocPen beneficiaries. The CC shall cover the following procedures, as follows: (1) application and presentation of documents of the indigent senior citizen, (2) participation of the indigent senior citizen in the validation and assessment, (3) notification and attendance of the SocPen beneficiary to the cash payout through the DSWD or LGUs under TOF, (4) Filling out of the CSMF of the SocPen Beneficiaries or his/her authorized representative.

Other DSWD processes not directly involving the client shall be separated and included in the program's Standard Operating Procedures. The processing of eligibility and release of cash advances of the social pension payment is a separate process being done by the DSWD Field Office in coordination with the concerned LGUs.

The SPISC is currently implementing two modes of payments, (a) Cash Payment through identified SDOs and (2) Transfer of funds to LGUs, hence, there may be differences in the turnaround/processing time. The SocPen Team needs staff augmentation from other programs/units for the conduct of simultaneous pay-outs considering the huge number of beneficiaries per region. It is further noted that the program has no plantilla personnel hence, the pay-out depends on the number of SDOs of other programs/units who are available to handle the social pension cash advances.

The Turnaround/ Processing time depends on the social pension beneficiary's capacity, availability of the DSWD Field Office identified SDOs, schedules of payout, number of social pension beneficiaries present at the conduct of the payout, and other geographical location/ logistical requirements as agreed upon by the FOs and LGUs.

44. Provision of Assistance to Person Living with HIV

45. Provision of Assistance to Solo Parents

Solo parents are those who are left alone with the responsibility of rearing their children regardless of marital status and based on National Statistics Office (NSO) data, there are about 14 million solo parents in the Philippines. The increasing number of solo parents has led the national government to pass Republic Act 8972, or the Solo Parents' Welfare Act of 2000, which was promulgated on November 7, 2000. On 04 June 2022, the Republic Act 11861 (RA 11861) or the Expanded Solo Parents Welfare Act lapsed into law and its Revised Implementing Rules and Regulations took effect on 01 November 2022. The passage of RA 11861 expanded the benefits of the solo parents, promotes the rights of Filipino solo parents and ensures that they can receive adequate social protection programs from the government.

RA 11861 directs the Department of Social Welfare and Development (DSWD), in coordination with other agencies to develop a “comprehensive package” of social protection services for solo parents and their families which includes livelihood opportunities, legal advice and assistance, counseling services, parent effectiveness services, and stress debriefing, among others, regardless of financial status.

DSWD is mandated to protect and promote the welfare of the disadvantaged group including the solo parents, provide technical assistance to partner stakeholders (National Government, Local Government Unit, and Civil Society Organizations). Any solo parent whose income in the place of residence is equal to or below the poverty threshold as set by the PSA and subject to the assessment.

31. KEC/ RLRC Function Room Reservation and Use

Based on the Memorandum Circular No. 1 Series of 2015, The DSWD-NCR Learning Resource Center (LRC) is established to provide access to knowledge and information through reading and writing, providing the staff, visitors, or other users the right to use the LRC materials and services by providing them a secure and comfortable environment. There is a need to establish LRC in the Field Office in accordance to the thrust of the Department that all DSWD Offices should maintain a LRC wherein all knowledge products are installed and is accessible to the public.

Moreover, the location of the DSWD-NCR is accessible to nearby universities hence, it is necessary to establish a learning center which is open to all students specifically to Social Work students.

The barriers to knowledge sharing such as lack of time to share, poor verbal and written communication, difference in education level etc. have to be addressed so that the people will trust and be empowered to continue to learn, share knowledge and produce faster, smarter and better services to the clients. On the other hand, the employees must also be encouraged to share knowledge and create knowledge products so they can respond to the ever-changing needs of partners and constituents.

Furthermore, the establishment of LRC is a result of DSWD pioneering efforts to institutionalize a knowledge management system and use of Knowledge Exchange Center/Regional Learning Resource Center Function Room for meetings, learning sessions, and exams for applicants which aims to strengthen and promote the exchange of knowledge with stakeholders, partners and within DSWD towards increased productivity and efficiency.
