

Implementation of Government Internship Program (GIP)

Office or Division: Sectoral Programs Division

The Government Internship Program is part of the Kabataan 2000 program of the government. It was developed with the end goal of providing an opportunity for both out-of-school and in-school youths to a hands-on experience of working in various government agencies, which they could later use when they later decide to be part of the government workforce. This is likewise an opportunity for them to learn life skills in the workplace at the same time earn money to augment their school needs.
